

SHRIVER Challenge

A CAMPAIGN FOR JUSTICE,
EQUITY AND OPPORTUNITY

There is no reliable justice without the machinery of justice – the government. But the machinery of justice cannot be effective without men and women who have the will and character to make it work.

-Sargent Shriver

A Challenge, A Vision

The Shriver Challenge: A Campaign for Justice, Equity and Opportunity extends Sargent Shriver's legacy and our commitment to an economic and social justice system that works for all. The five children of Eunice and Sargent Shriver have made an extraordinary gift of \$1 million to the Sargent Shriver National Center on Poverty Law with one purpose: position the Shriver Center to raise major gifts for long-term growth and stability.

The family has challenged the Shriver Center to match their lead gift with an additional \$2 million to support both new and ongoing efforts to advance poverty solutions.

Gifts may be designated to:

- **The Annual Fund** (*unrestricted support for all programs and activities*)
- **The President's Fund** (*project-based support for rapid response needs*)
- **The Sargent Shriver Endowment Fund** (*permanently invested, original donor terms*)
- **Special Projects** (*donor restricted*).

Giving Levels

Gifts may be made one-time, monthly, annually, or through a five-year pledge.

Legacy Circle	\$100,000+
Impact Circle	\$75,000-99,999
Equality Circle	\$50,000-74,999
Opportunity Circle	\$25,000-49,999
